

Rambo for Texas House District 25

Candidate Pledge

I pledge to pursue this agenda while in office.

- Shrink Government
- Preserve Texas Values
- Listen to Voters
- Let Texans Manage Texas

Like you, I believe in the Constitution and common sense. Let's agree to elect people willing to listen and be strong voices in Austin, who are unafraid to stand up and fight for the great Lone Star State.

A handwritten signature in black ink, appearing to read "Dan Raul", written over a solid horizontal line.
